White Elephant Gift Exchange Rules

- ☺ Do not buy a gift. This is a huge no-no!! No purchased gift.
- ☺ Bring a gift you don't want from around the house.
- ☺ Something that you don't mind parting with.
- ☺ i.e., an old ugly vase, an old painting you just never knew where to hang.
- ☺ The more bizarre the better.
- ☺ Do not put your name on the gift. This is a secret gift to another family.
- ☺ No one will ever know what you brought. Put it under the tree and keep quiet!
- ☺ Only those who bring a gift get to exchange a gift. So bring a gift and get involved.

Please be considerate to the family who may be the recipient of the gift. We don't want any feeling hurt!!

We hope to see all of you there!

Brother Knights:

Do not forget to bring non-perishable food for the needy families and/or baby items for the Knights' chest of drawers for the Pregnancy Care Center

This is also a great opportunity to invite and bring along a new potential Knight and his family. What better way for him to get to know us.
